

PAWAN DINENDRA

Undergraduate - University of Kelaniya

ABOUT ME

A driven and ambitious Computer Science undergraduate with a fervent passion for exploring and mastering emerging technologies. Known for my self-motivation and problem-solving prowess, I thrive in dynamic team environments, eagerly tackling new challenges that come my way. My goal is to leverage my skills and enthusiasm as a Software engineer intern, contributing to innovative projects and expanding my expertise in the ever-evolving field of Computer Science.

EDUCATION

University of Kelaniya - Bsc. Physical Science (2021-PRESENT)

- Computer Science, Pure Mathematics, Applied Mathematics

G.C.E. Advanced Level - 2019

Sri/ Devananda College, Ambalangoda

- Physical Science (Pure Mathematics, Applied Mathematics, Physics, Chemistry)

ACADEMIC & PERSONAL PROJECTS

TECHNICAL SKILLS

Programming Languages

- C
- Java
- Kotlin
- C#

Web Development

- HTML
- React.js
- CSS
- JavaScript

Backend Development

- Spring Boot
- Node.js

DBMS

- MySQL
- MongoDB

Mobile Development

- Android Studio
- SwiftUI

IDEs

- VS Code
- IntelliJ

Version Controlling

- Git

Design Tools

- Adobe Photoshop
- Adobe Premiere Pro

OTHER SKILLS

- Leadership Skills
- Communication Skills
- Team Management
- Time Management
- Public Speaking

LANGUAGE

- Sinhala
- English

HOBBIES & INTERESTS

- Web Development
- Online Gaming
- Travelling
- Music
- Cricket

REFEREES

Dr. B.M.T. Kumarika
Senior Lecturer Grade II,
Department of Statistics and
Computer Science,
Faculty of Science,
University of Kelaniya.
Phone: +94 (011) 2903 379
Email: thosini@kln.ac.lk

Institute Management System (2024) - (ONGOING)

- This System able to track attendance properly. (through a QR code) and able to hold the student account from the class if the student is absent constantly for 3 months.
 - This System able to generate the progress reports of the student. (marks - monthly, term wise) and able to generate reports of the registration of the students to the institute in monthly and annually.
 - System able to inform the class reschedule messages prior.
 - To show the payment amount to be received of the teacher.
- **Role :** Full Stack Developer
 - **Technologies:** React, Spring Boot ,MySQL

Personal Expense Tracker (2024) - Mobile App

- **Role :** Frontend Developer
 - **Technologies:** Android Studio, Kotlin Language
- github link : <https://github.com/lgpdinendra/Wise-Wallet>

Weather App (2023)

- **Role :** Frontend Developer
 - **Technologies:** React
- github link : https://github.com/lgpdinendra/Weather_App

ToDo List App (2023)

- **Role :** Frontend Developer
- **Technologies:** React

TicTocToe Game (2023)

- **Role :** Frontend Developer
- **Technologies:** React

Web Project - Studio-K Web Site (2023)

- **Role :** Frontend Developer
- **Technologies:** HTML, CSS, JavaScript

Clothing Shop Management System (2023)

- **Role :** Full Stack Developer
- **Technologies:** Visual Studio .net , c# , php

School Management System (2021)

- **Role :** Login, Student Function Developer
- **Technologies:** java

CERTIFICATIONS

Certificate in English - Britishway English Academy

Certificate in Frontend Development - Miha Institue

ACHIEVEMENTS

- RealHack 5.0 (2024) - Placed 40th Among 300 Teams
- Dev Quest (SLIIT) - Participant
